## Making Public Policy Work for Development

The Master of Arts in Governance and Development (MAGD) program offered by BIGD at Brac University provides a unique blend of globally acclaimed academic teaching and locally rooted practitioner insights.

The program equips promising policymakers with the capabilities to tackle multifaceted governance and development challenges with confidence.

### Key Fetures

- A program of 36 credits, can be completed within 12-20 months
- Non-residential format and evening classes provide flexibility for working students
- Cross-learning opportunities with development programs
- Strong alumni network for support
- Tuition fee waivers available for selected candidates based on their performance in the admission test.

### Who Is It for

Government officials with at least 2 years of work experience, or individuals engaged in a profession that requires working with the government, or professionals/academicians who analyze public policy, or individuals with a specific academic interest in public policy, governance and development-related area.
